Nomination of Mr. Simone Provvedi as candidate for Vice Chairman of 3GPP RAN WG2

Dear Susanna and Joern,

As an indication of strong and continued commitment to 3GPP, Huawei is pleased to nominate Mr. Simone Provvedi as candidate for the 3GPP RAN WG2 Vice Chairman election at RAN2#75 in August 2011. Simone will represent HUAWEI TECHNOLOGIES Co., Ltd., a member of ETSI.

Simone has more than ten years of experience in 3G industry, having worked both on the UE side and on the network side, in user plane and in control plane, both in product and system design and in standards and research. A short CV is attached to this letter.

We think that his strong technical background and his experience of more than five years in RAN WG2, with different leading roles in Huawei and other important delegations, would help Simone to drive the progress in RAN WG2 in a fair and efficient way, as he did already in his past chairing experience.

Huawei will provide all the necessary support and resources to ensure that Simone fulfils his responsibilities as 3GPP TSG RAN WG2 Vice Chairman.

Sincerely Yours,
