**Nomination of Dr. Philippe Reininger as candidate for 3GPP TSG RAN WG3 Chairman**

Dear Susanna and Juha,

Huawei Technologies is pleased to nominate Dr. Philippe Reininger, as candidate of 3GPP TSG RAN WG3 Chairman election. HUAWEI TECHNOLOGIES Co., Ltd., is an individual member of 3GPP via the CCSA Organisational Partner.

Philippe has received a PhD in Computer Science from Louis Pasteur University (France) and CNET (Orange Labs). He has 21 years experience in the network design for mobile radio systems. After several years spent in the development of optimisation tools for GERAN and UTRAN, Philippe worked as end-to-end UTRAN radio optimisation expert before joining 3GPP TSG RAN WG3 in 2005, elected 3GPP TSG RAN WG3 Vice Chairman (2009, 2011) and 2013 3GPP TSG RAN WG3 Chairman (2013), he participated actively in WCDMA and LTE standardisation. Philippe joined Huawei Technologies in 2008 to represent the company in 3GPP TSG RAN WG3 as well as in 3GPP TSG RAN. We believe his technical background associated to his long experience in the wireless industry give to him the necessary qualities to effectively carry on the responsibility of 3GPP TSG RAN WG3 Chairman.

Philippe is informed, will be able to be additionally trained and aware of the antitrust/competition laws and regulations of the relevant jurisdictions and will comply with such laws while acting in his capacity of 3GPP TSG RAN WG3 Chairman.

Huawei Technologies is committed to allocating the necessary resources and support to enable him to accomplish the duties and responsibilities of this position.

Sincerely Yours,

Wan Lei  
Director of Wireless Standards Department  
Huawei Technologies Co., Ltd.
