Nomination of Mr. Haijie Qiu as candidate for Vice Chairman of 3GPP RAN WG4

Dear Susanna and Carolyn,

Samsung is pleased to nominate Mr. Haijie Qiu as a candidate for the upcoming 3GPP RAN WG4 Vice Chairman election in August 2021. Haijie will represent Samsung Electronics Co., Ltd, a member of TTA.

Mr. Haijie Qiu is informed and trained in all applicable antitrust/competition laws and regulations of relevant jurisdictions, and he shall comply such laws while acting in his capacity as 3GPP RAN WG4 Vice Chairman.

Samsung will provide all the necessary support, resources to ensure that Haijie fulfils his responsibility as 3GPP RAN WG4 Vice Chairman.

Yours Sincerely

Jin-Kyu Han

Head of Standard team

Samsung Electronics Co., Ltd

Position of candidacy: Vice Chairman of 3GPP TSG RAN4

Candidate Name: Haijie Qiu

Individual Member: Samsung Electronics Co., Ltd.

Organization Partner: TTA

Brief Curriculum Vitae:

Haijie Qiu received Master Degree in Telecommunications from China Academy of Telecommunications Technology, China, in 2009.

He has been involved in 3GPP's technical work for over 12 years in RAN4 and participated in 3GPP TSG RAN WG4 meetings as Samsung delegate for the last 10 years since 2011.

He has been active in a wide range including of RRM, demodulation and system parameter design. He has chaired FD-MIMO, eFD-MIMO ad-hoc sessions in LTE Rel-13/14 timeframes.

In NR phase, he took more responsibility including NR specification (TS 38.101-4) editor and ad-hoc session chair to coordinate discussion on NR UE performance requirements. Since August 2019, he has elected as RAN4 Vice chairman, and chaired BS RF, Test and Demodulation sessions with trackable evidence as fair and efficient leadership.
