Nomination of Mr. Xutao Zhou as a candidate for Chairman of 3GPP RAN WG4

Dear Susanna and Issam,

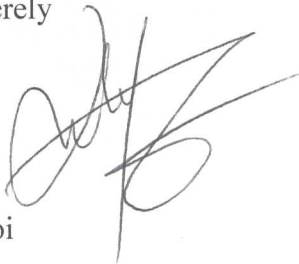

Samsung is pleased to nominate Mr. Xutao Zhou as a candidate for the upcoming 3GPP RAN WG4 Chairman election in November 2015. Xutao will represent Samsung Electronics Co., Ltd, a member of TTA.

Mr. Zhou received Master Degree in Telecommunications from University of Warwick, UK, in 2004. He joined Samsung Research China Beijing (SRC-B), Beijing, China in 2007 and has been working on standardization of mobile communications. Since January 2010, he has been participating in TSG RAN WG4 meetings and has been actively contributing to the standardization of RF and RRM/demodulation aspects for a wide range of features including CA, FeICIC and CoMP. He has also been actively participating in TSG RAN plenary meetings as the lead delegate of Samsung RAN WG4 team since February 2012. He was the rapporteur of RAN WG4 aspects of Rel-11 CoMP WI and chaired the CoMP session in Rel-11 time frame. We are confident that he is well qualified both in terms of technical knowledge and in terms of leadership skills.

If elected, he will receive all the necessary training to comply with all the applicable antitrust/competition laws and regulations while acting in his capacity as 3GPP RAN WG4 Chairman.

Samsung will provide all the necessary support and resources to ensure that Mr. Zhou fulfils his responsibility as 3GPP RAN WG4 Chairman.

Yours Sincerely

Sungho Choi

Vice President
Head of Standards & Technology Enabling Team
