Subject: Nomination of candidate for the 3GPP TSG SA3 Chairman

Dear Ms. Kooistra and Mr. Soveri,

I am pleased to inform you that Nokia through its ATIS 3GPP affiliation, is nominating Mr. Suresh Nair as a candidate for the position of Chairman of 3GPP TSG SA WG3 in the upcoming election at SA3#103-e.

Suresh is informed about and aware of the antitrust/competition laws and regulations of relevant jurisdictions. If elected, he shall comply with such laws while acting in his capacity as TSG SA WG3 Chairman.

By proposing Suresh for the position of SA3 Chairman, Nokia remain strongly committed to the 3GPP standardization work. Nokia will provide all necessary support and resources to Suresh, if elected, to allow him to fulfil his duties as SA3 Chairman.

A brief curriculum vitae of Mr. Suresh Nair is attached.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Ulrich Dropmann', with a long horizontal stroke extending to the right.

Ulrich Dropmann

Head of Standardization and Industry Environment, Strategy & Technology, Nokia.

## **Resume of Suresh Nair**

Suresh is a member of the Security Standardization & Research team under the Nokia Strategy & Technology, Nokia Standards.

He has over 20 years of experience in the telecommunication industry. His career spans standardization work and all stages of wireless communication product development, including forward looking analysis and prototyping, product development and integration.

In 3GPP SA3, he has participated in the development of all security features since Rel-12. In addition to 3GPP he has also represented Nokia and actively contributed in telecommunication standard bodies such as IEEE, WiMAX forum, WFA and OneM2M.

Suresh holds masters degrees in Electronics & Telecommunication Engineering and in Applied Physics.

Suresh lives in New Jersey, USA, in his spare time loves to hike the mountain trails of NJ.
