CANDIDATE FOR THE POSITION OF 3GPP TSG SA WG3 CHAIRMAN

Dear Colleagues,

On behalf of ERICSSON, I am pleased to nominate **Mr. Bengt SAHLIN** for a second term of the position as chairman of 3GPP TSG SA WG3 (Security).

Bengt SAHLIN has a M.Sc. in Computer Science from Helsinki University of Technology (TKK). At TKK, he has also lectured on modern data communications as well as on DNS and DNS security. He is a Certified Information Systems Security Professional (CISSP).

Bengt has worked in the fields of data- and telecommunications for 17 years, mostly in security aspects. In 2000 he joined Ericsson where he has worked on mobile systems security and product security. He was also technical coordinator for Ericsson's security implementation projects, as well as manager of a security research group within Ericsson.

In 2003 Bengt joined the Ericsson 3GPP SA3 delegation. He has been an active participant in most areas of SA3 and became Ericsson's lead delegate for SA3. Since autumn 2009 Bengt has served a first term as the 3GPP SA3 chairman.

Ericsson is committed to the 3GPP standardization work and will give full support and resources necessary for Bengt SAHLIN to fulfill the 3GPP SA3 Chairman successfully.

Bengt SAHLIN represents the Individual Member "Telefon AB LM Ericsson" and the Project Partner "ETSI".

Sincerely,

A handwritten signature in blue ink that reads "Jonas Sundborg".

Jonas Sundborg

Director of Standardization and Technical Regulation
ERICSSON
